

MEXICO LINDO
TOURS & TRAVEL

TOUR:
TULUM & PUNTA LAGUNA

The tour starts at the beaches of Tulum, the second-largest coral reef in the world, which is located in front of the Tulum archaeological site. During certain seasons, you can see sea turtles. Next, we will head to the protected natural reserve of Punta Laguna, an ecological reserve with over five lagoons and a wide variety of animals, such as spider monkeys, howler monkeys, parrots, ocelots, among others.

- Includes: transportation and companion guide.
- Not included: food, beverages and tips.

We recommend to bring comfortable clothing and shoes for climbing the buildings, water, a swimsuit, a towel, and sunscreen. Also, don't forget mosquito repellent.
