# TOUR: KAYAKING IN THE EMERALD COAST

The Emerald Coast is the habitat of a large number of migratory birds, flamingos, pelicans and ducks, a huge area of mangroves that are their refuge and feeding place. Discover the natural beauty of the coast while kayaking in the mangrove.

- Includes: transportation, kayak equipment, and instructor.
- Not included: food, beverages and tips.

We recommend to bring comfortable clothing and shoes for climbing the buildings, water, a swimsuit, a towel, and sunscreen. Also, don't forget mosquito repellent.
